Longest Resident Of Crawford County To Celebrate His 90th Birthday

Kolenda Studio Photo.

George A. Collen

On Saturday evening March 10th, friends and relatives of George A. Collen, 405 Spruce Street, Grayling, gathered at his home to celebrate his ninetieth birthday and seventy-seven years as a resident of Crawford County.

In the year of 1888, at the age of two years, Mr. Collen with his parents, three sisters and a brother, the late Jim Collen of Lake Margrethe, left Cambridge, England, for America. George recalls that the family spent six weeks on the high seas, mostly due to prevailing storms that threw them off course as much as a thousand miles. Also, the non-

Kiwanis Club Notes

Discussion of several club problems took the place of a regular program at Monday evening's meeting of the Kiwanis Club of Grayling at the Lone Pine Inn.

A news letter from Lt. Governor Sid Main of the 14th Division points out that the Grayling Club had a near perfect record for the month of January leading the way in the Division over 7 other clubs. The Grayling Club lost one point on attendance and 4 on membership to gain a 95 per cent rating.

Next Monday's meeting of the club will be held at Shoppenagons Inn.

Community Church Group Holds Meeting

A meeting of the Council of Churches was held Monday night at the Michelson Memorial church, with 6 churches represented. The business meeting was opened by Charles Holmquist, reported that letters received from pastors of the various churches agreed that Wednesday night would be the night set aside for church activities. It was decided that the temporary name of Grayling Council of Churches be discontinued and the new name of Grayling Christian Civic League be adopted permanently.

It was felt that the new name would be acceptable to all churches, without possible infringement of their documentary views. A committee of three members, besides chairman Holmquist, was appointed to draft by-laws and a charter for the League. Those appointed were pastor Baker of the Seventh Day Adventist church, Edward Underwood of the Calvary Baptist church, and Rev. H. Knudsen of the Grayling Lutheran church.

A resolution was adopted that no League meeting would last longer than one and one-half hours, except in the event of urgent business, and then it would be put to a vote as to whether to allow the meeting time to be lengthened for any one special instance.

The League feels that much was accomplished at this last meeting. The proposed by-laws and charter will be presented for approval at the next meeting, and if approved will be adopted then.

The next meeting will be held April 2nd. The League secretary will notify members where it will be held.

County Democratic Committee Meets

Thursday, March 1st, members of the Crawford County Democratic Committee met at a luncheon to discuss election year plans.

Mrs. Hattie Warden of Grayling was present as the new county Vice Chairman. Other members present were Mrs. Wilbur Simpson and Mr. Albert Charron of Grayling, Miss Anita Lozon, Committee Secretary, Mr. and Mrs. Bill Gibson and Mrs. Ralph Ferrell of Frederic.

Two State Central Committee members, Mr. Bernard McGuigan of Ann Arbor and Mr. Douglas Fairbanks of Cadillac, Michigan, were present to outline election year planning on the state level. The committee believes that this county are not registered to vote and urged registration at once with County Clerks.

P. T. A. News

February meeting of the Grayling P. T. A. was held last Wednesday evening. In the absence of the President, Vice President Mildred Fox conducted the meeting.

Speaker for the evening was Joseph Stripe, director of the school's driver-training program. In view of the tremendous amount of publicity now being put out on the subject of highway safety, he cut his talk down to the minimum, bringing out one salient fact, however. It has been proved that there are twice as many accidents involving drivers who have had no driver training as there are involving those who have.

This should be testimony enough to the school program.

A movie, "The Case of Officer Hallbrand," was shown to the group. It depicted the various kinds of poor drivers and as Mr. Stripe had foreseen, members of the audience recognized themselves in many instances.

Coffee and cookies were served by the 7th grade mothers.

The P. T. A. is sponsoring the cancer program on March 13. It is a recommended feature.

Red Cross Home Service

Did you ever want to help a serviceman's young wife in financial difficulty, and not be able to?

More than likely, at one time or another, you or some one you know has found himself in such a predicament. And the solution is simple. If you know your Red Cross. The Home Service department of your local Red Cross chapter is prepared to handle such problems at any hour of the day or night.

Last year, the local chapter processed 24 cases involving service men or their dependents, 6 veterans and their dependents, 11 civilians and 8 National Guard.

"Although many of the cases were similar in their need, they were all different in some respect," said Mrs. Leo Jorgenson, chairman of the Home Service department. Mrs. Jorgenson, already active in other phases of Red Cross, has assumed the responsibility of home service since Mrs. J. L. Martin, former chairman, moved to Bay City. The cases processed in the county represent a cost of \$443.68.

It takes a great many volunteer workers to make a success of the Red Cross membership drive.

New School-Community Building Creating Interest

On Friday, March 2nd, Superintendent Amble and the Board of Education from Boyne City spent the afternoon inspecting the new gymnasium, auditorium and the remodeling project in the old gym.

Both groups are interested in remodeling their present gyms into class rooms and building new ones.

This makes at least six groups of School Board members who have come to Grayling to see the building with the idea of using it as a model. One Superintendent said, "this building has made quite a reputation for Grayling."

They all have said that it is the finest building its kind they have seen in northern Michigan.

Sportsmen Report On Deer Feeding

The Grayling Sportsmen's Club report that a total of \$172.17 was taken in for their deer feeding program. Of this total, canners placed in local business places brought in \$125.37. Employees at the Archery Company raised \$23.10 and the Company matched this amount to give the Club a total check of \$46.20.

The Club erected six feeder racks and hay was supplied to about ten other feeding areas where it was taken by club members or other individuals.

Club spokesmen report that part of the fund is left and has been placed in a special fund which has been earmarked for the deer feeding program only.

The Club wishes to thank all who donated to the project and to the following business places who displayed canisters in their stores: Blue Room, Shoppenagons Inn, Callahan's Service, Dad Hanson, Grayling Restaurant, Bruno's Tavern, Leonard Gas Station, Wirt's Lone Pine Inn, Shell Gas Station, Black & White, Dawson's Winter Sports Park, State Liquor Store, Smiggins Diggins, Herm's House of Fine Foods, Long's Market, Post Office, Legion Club, Burrows Market, Grayling Golf Service, Herluf Sorenson and AuSable Restaurant.

The game saw the final appearance of seven Grayling seniors in their last regular scheduled basketball game.

"YOUR PARTNER IN PROGRESS"

by ART GOODRICH

 Almost everyone can remember the days when the standard color for automobiles was black. You expected a car to be black just as refrigerators today are white. Twenty years ago, black was the color of 75 per cent of the cars made; today only 10 per cent of our cars are black.

 Livelier shades on automobile bodies only became practical in 1939 when the development of titanium and cadmium increased the durability of auto paint by 400 per cent.

 Now that almost any shade of exterior finish is possible, psychologists are starting to develop theories about automobile colors—and I'll pass them along for what they're worth. You can try them out on your own car, or on the cars at our lot.

 First of all, two-tone color jobs are supposed to make a car look longer and lower.

 Colors at the red end of the spectrum make a car look bigger, the psychologists say, while colors at the blue end make it look smaller. At the same time they say that dark colors make a car look larger and lighter.

 Where this leaves a car that's dark red or light blue, I haven't the foggiest idea, since according to these theories they would be both heavier and lighter at the same time.

 The durability of car paints that came with the application of titanium and cadmium has been a great boon to the used car buyer, as anyone can see by looking at the colorful display on our lot. That showroom shine lasts a lot longer these days, and especially on cars that have been given reasonable care. That's the kind we buy, and the kind we sell.

Grayling High School Instrumental Music

WHAT WE TEACH AND HOW WE TEACH IT

 By LeRoy Christian

 In order to explain the instrumental music department, it would be well to understand the aims of our school music program.

 (1) To provide for the teaching of instrumental music in the lower grades through high school.

 (2) To build musical organizations that can be used at all school functions.

 (3) To foster and create a desire and love for music in all of its forms.

 (4) To assist students in learning to play an instrument so that they can enjoy its use either in high school or in later life.

 (5) To provide worthwhile recreation for leisure time.

 (6) To teach students to work together as an ensemble, utilizing co-operation, discipline in the development of a worthwhile personality.

 The instrumental program starts in the grades. Actually the use of rhythm bands, singing lessons, or any other form of instruction such as private music lessons (piano, accordion, tap dancing, vocal lessons, etc.), all assist in the development of creating the desire to participate, or understand music rhythm development in all of its forms. The 4th grade is usually the lowest grade in which to start a child upon an instrument—many times it is more advisable to start them in the 4th or 6th grades. Parents are contacted at the beginning or second month of the school year, and after a series of tests to determine which instrument the child is suited for, a meeting is held with the parent, the child and music teacher, to map out the program to start upon an instrument. As the expense in purchasing an instrument is great, rental instruments are used for a period of 8 weeks to 3 months, to enable the teacher to determine whether the child should continue or not.

 After the beginner learns to play a few simple tunes, he graduates into a beginners band which meets on Wednesday from 4:00-5:00. Free lessons once per week, are offered to all of these students. For the more advanced students, the Senior B-Band meets Monday and Tuesday at 4:00-5:00 and the Senior Band (5 days per week, 8th period), offer more challenge to the student. In order to advance to each band, a test is provided to encourage progress, and higher standards.

 The Senior Band has organization to suit the needs of the group. Officers are elected each year to aid the director, and offer responsibility to the students. A President, Vice President, Secretary, Treasurer and uniform assistant, librarian are essential to the group. To assist the director in newspaper publicity, a newspaper reporter also is in order. This year the following students are the Band officers and assistants: President, Mary Richardson; Vice President, Sally Minnear (also newspaper reporter); Secretary, Librarian, Elaine Goss; Treasurer, Charles Garland.

 To reward the students for their work, an award system is offered from the 7th grade through the 12th, in which music lyrics, letters and pins or medals are used.

 In an average school year the Senior Band participates in the following events:

 (1) Concerts, (2) Athletic games, (3) Programs in school, (4) District Festivals, (5) Solo Contests, (6) Parades, (7) May Festival, (8) Decoration Day, (9) Parade, (10) City Events (such as Snow trains, Patriotic, etc.).

 Our new music building, with its complete facilities for practice, including 4 practice rooms and a large music room, offers a well-rounded course to the music student. The expense involved is not at a minimum to the taxpayer, but the benefits derived cannot be measured until one looks at the present benefits to the student in school, and in mature age. It is well to remind the student, and the parents, therefore, that in order to participate in our music program, the student and the parent must be willing to sacrifice time and expense in order to gain benefits from music education. No one thing can be accomplished well unless time and interest can be used in the best manner.

 I have enclosed two pictures of the band this year; Senior Band and Senior B-Band. Our students appreciate the music program offered with its new facilities, and hope to show their appreciation by serving the school, and the community, in a manner of which we can be proud.

Political Panic Is a Danger

A statement that, because of depressed prices, thousands of small farmers are being driven off the land, has been vigorously denied by Secretary Benson. He reports that fewer farmers left the land in the past three years than in the preceding three.

No one should minimize the farm problem. At the same time, we should take care not to exaggerate it out of all reason and make it appear that U. S. agriculture as a whole is in desperate straits.

It will be specially bad—for the farmer and everyone else—if we permit the current situation to stampede us into actions born of political panic in an election year. For example, there is a great deal of talk about falling back on high fixed parity prices. But the unquestionable fact is that it was this policy which created problems worse than those it attempted to solve—by encouraging production for purchase and storage by the government, instead of for consumption. We cannot have a sound farm economy so long as surpluses of incredible size keep piling up.

Whether the soil bank is or is not a workable solution is a matter of controversy. But it has one virtue, so far as we can see now—it would mark a constructive attack on the impossible surplus situation. A key provision is the prevention of diverting land from one surplus crop only to put it in another surplus crop. If, for instance, the soil bank land were used for grazing, we would soon have a livestock problem of far greater dimensions than any we know now.

The Shopper Abroad

Americans who haven't lived abroad would be puzzled and annoyed at the way people must go about shopping for food in other countries. In most of those countries, stores are usually forbidden by law to offer such items as fresh meat under the same roof with canned vegetables and soups. In France, for instance, the housewife must go to as many as 14 stores to complete a shopping list—a fruit shop, a smoked meat store, a fresh meat butcher, a bakery, a dairy, and so

on. Here in the United States, whether we patronize a family-owned store or a big chain supermarket, we take it for granted that everything we want has been assembled for us—and that the highest standards of sanitation and convenience prevail.

In addition, we have come to expect and demand foods in a form which requires a minimum of preparation—and we are also accustomed to buying foods which once were available only seasonally at all times of the year. For example, Chain Store Age reports that the American housewife spent \$8.2 billion in chain grocery supermarkets last year for perishable items requiring refrigeration. The typical chain outlet has up to \$75,000 invested in refrigerating equipment alone—four or five times as much as the investment in the entire store of 1925! These and the many other costs brought on by the demand for frozen and otherwise-processed foods help to explain why the "spread" between the price received by the farmer and the price paid by the consumer has widened.

The superiority of American retailing is not confined to foods. It is found in all the many branches of retailing—as Americans who have traveled abroad will tell you.

"Government Hasn't a Dime"

"Education has always been a matter for the localities in the states," writes James W. Douthat in the Idaho Voter. "The Federal Government hasn't got a dime that it doesn't take away from the people. So it can't give anything to a school system without first having taken it away from the very people who should be supporting the state system."

This is true of all other federal "grants" to local government. Government, like an individual, can't get anything for nothing. The taxpayers must put up the money—plus the large additional sums absorbed by the bureaucrats and administrators.

INTERESTING ITEMS OF NEWS GATHERED FROM THE
FILES OF THE AVALANCHE OF 23 YEARS AGO

March 9, 1933

The most hotly contested basketball tournament in at least a school generation was run off for fans from eleven communities as the teams clashed in the local high school last Thursday, Friday and Saturday. Ten games produced the best competition that has developed here in some time and the packed bleachers and balconies. District tournament No. 38 came through a depression period with a display of real pre-depression enthusiasm. In the rounds of tournament play Grayling High came through to capture the Class C laurels and Johannesburg survived three games to take the Class D trophies. Gaylord was the Class C

second place team, while McBain furnished the Johannesburg club with their final opposition.

Edward Mayotte is driving a new Chevrolet sedan.

Mrs. Louise Connine is absent from her place of business due to the mumps.

Brad Jarmin is out again after being confined to his home with the mumps.

Thorwald Sorenson spent the week end at Houghton Lake visiting Miss Evelyn VanSickle.

C. J. McNamara is back at his place of business after spending some time at home due to the mumps.

Angus McPhee of West Branch visited his daughter and family, Mr. and Mrs. Grant Thompson and children last week end.

Emerson Hoessl assisted in the A. & P. Meat Market last Friday and Saturday, while Harry Weiss and Buddy Sorenson helped in the grocery store.

Misses Ella and Margrethe Hanson spent Tuesday in Saginaw attending an Alpha Phi luncheon, at which Mrs. Humphrey was hostess at her home. They were accompanied by Mrs. O. W. Hanson and Mrs. Esbern Hanson.

Mrs. M. A. Bates returned home Thursday after spending a few weeks visiting Mr. and Mrs. Alfred Hermann and daughter in Grand Rapids, and Mr. and Mrs. Ben Jerome and children, and Lieut. and Mrs. Emerson Bates and family in East Lansing.

Earl Wood and Al Failing left Thursday for Dayton, Ohio, to spend a week visiting Mr. Wood's father, and Mr. Failing's daughter, Miss Francella Failing. They were accompanied to Bay City by Mrs. Wood and son, Renold Earl, who will visit Miss Margaret Failing.

Of interest to their Grayling friends will be the announcement of the marriage of Miss Corrie Sheldon, eldest daughter of George Sheldon of Osego, and Devere Wolcott, son of Mr. and Mrs. Roy Wolcott, which was solemnized November 12, 1932, at Gaylord. The bride was attended by her sister, Miss Carmine, and the groom by Harry McEvers. The young people will make their home in Grayling, and have the best wishes of their many friends.

Miss Gloria McNeven was hostess to fourteen little guests at the Social club rooms last Saturday afternoon. The afternoon was spent playing games at which prizes were won by Virginia Peterson for the peanut race and the word contests; by Corrine Burns for musical chairs, and Mary Jane Joseph won the peanut hunt. At five-thirty the hostess' mother served lunch. Miss Gloria was celebrating her tenth birthday and

she received many nice gifts. Peter Zalsman of Holland visited his brother, Phil Zalsman last week end.

Miss Agda Johnson and a friend, Miss Martha Richlin, who are attending Ferris Institute, spent last week end visiting the former's parents, Mr. and Mrs. Algot Johnson.

Those who were fortunate enough to win free baskets of food at the A. & P. store last week end are: Mrs. Albert Knibbs, Frank Barnett, Norman Slingerland, Beatrice Cameron, A. Klein of Fletcher, Roy Case, Charles Decker, Frank Malloy, Enos Jennings, Mrs. Ben Pankow and A. J. Nelson.

Fire that caught from an electric wire in the furnace room at Mercy Hospital at noon today gave the Sisters and other attendants a bad scare. However, it was discovered in time to be easily extinguished.

Mrs. Adolph Peterson honored Mrs. Carl Hanson with a stork shower Wednesday evening at her home. Eighteen guests showered Mrs. Hanson with lovely gifts. Mrs. Alfred Hanson, Mrs. Menno Corwin, Miss Fern Armstrong and Miss Viva Hoessl were winners of prizes for various contests. The hostess served a very delicious lunch at 11:30, at a long table attractive with St. Patrick's decorations.

Miss Clara Bugby of Flint arrived Wednesday to spend a few days visiting her parents, Mr. and Mrs. E. E. Bugby.

Mr. and Mrs. George Ensign and family and Mrs. John Ensign and daughter, Clara Mae, all of Midland, visited Mr. and Mrs. George Collen and family and Mr. and Mrs. Phillip Quigley and family Saturday and Sunday.

Grow, Leand Marshall, and Kenneth Gothro spent Sunday in Harbor Springs, at the home of Mr. Cornell. They were accompanied there by Douglas Cornell, who was the guest of his brother, Willard, here during the tournament.

Fr. Joseph Herr and his sister,

Miss Constance Herr, have returned to their cabin on the Ausable after spending most of the winter in Jackson and Detroit.

Mrs. Albert Knibbs and Mrs. Neal Matthews gave a miscellaneous shower for Mrs. Russell Mosher at the Wm. Mosher home on Wednesday afternoon. There were twenty ladies present and the afternoon was pleasantly spent in games and visiting. The guest of honor was showered with many pretty and useful things. Coach Willard Cornell spent Monday in Petoskey, attending a meeting of the coaches, whose teams will enter the tournament there this week end. In the drawing for the first game to be played by the Grayling team, Harrisville was drawn, which team will meet with our boys this afternoon. Gaylord, runners-up, drew Harbor Springs for their opener.

46 Years Ago — March 10, 1910 Fred Alexander will sing one of his excellent solos at the Band concert.

Frank Mills has purchased the Andrew Larson house and will occupy it in the near future.

In honor of her birthday, Miss Helen Bauman entertained a few of her friends last Friday afternoon.

Miss Nora Peterson of Johannesburg spent Sunday with her parents, Mr. and Mrs. Hans Peterson.

Of Canada Increases Policyholders' Dividends

Cost of insurance reduced for seventh successive year; record \$761 million new business reported.

By sales record for the life insurance company and a new dividend plan that will reduce the cost of insurance to policyholders.

The 7th successive year announced by Geo. Bourke, President, at the company's 85th Annual Meeting.

New life insurance policyholders in 1955 amounted to \$761 million, an increase of \$65 million over the previous year.

In his report, Mr. Bourke expressed the belief that the high level attained in the insurance business would be exceeded in 1956, and that life insurance ownership would rise to a new peak.

"The public trust which the Sun Life enjoys today," he declared, "is based not only on confidence in the company, but also on the sound principles on which the industry at large is built. There is every reason for us to look ahead to continued public trust and to further success and achievement."

A copy of Sun Life's complete 1955 Annual Report, including the President's review of the year, is being sent to each policyholder, or may be obtained from C. F. G. Marchant, Branch Manager, Lansing, or Ralph Williams, Jr., R. 1, Houghton Lake.

Mr. Bourke pointed out that the record construction of new homes in the United States and Canada has been financed to a great extent out of the premiums paid by policyholders to life insurance companies.

Mortgage loans made by Sun Life during 1955 amounted to \$108,502,000 bringing the company's total mortgage investment to \$399,966,000.

Mr. Bourke also revealed that \$10 million was paid to beneficiaries of deceased policyholders and \$94 million paid to policyholders and annuities.

The \$136 million in 1955 brings the total paid by the company since its inception to \$3 billion.

Mrs. and Mrs. Nels O. Corwin wait their turn, at the shuffleboard courts, at Bradenton, Florida, lower west coast resort city. Although the Corwins call Grayling their home, after 15 winters at Bradenton they are much at home there too.

School Supt. Bond Presents 1956-57 Budget To Parent-Teacher Meeting

At a meeting of the Grayling PTA held last Monday evening, Superintendent of Schools Frank L. Bond presented the 1956-57 Grayling School budget as the program.

Mr. Bond, stating that PTA president Ted Wheeler had asked for the budget, informed the gathering that due to a pending State Aid Appropriation Bill it was impossible to present a factual 1956-57 budget because 80% of the school system's revenue comes from that source.

He did, however, present a budget to the meeting based on what the State Aid might amount to and at minimum recommended salaries for teachers.

Following is Mr. Bond's report to the Grayling PTA:

1. How Our State Aid is Figured:

The membership count and the school census are used in figuring the state aid. The State Legislature appropriates so much money for the schools which, with a portion of the sales tax under the Conlin bill and the primary money (revenue from state owned property set aside for schools) makes up the State Aid money.

Let us say that our membership count for next year will be 650 students (this year 627—350 grades K-6 and 300 in grades 7-12. The 1956 school census 650 (this year 639). The Primary Fund revenue \$20.00 per child (this year \$23.25). The gross State Aid allowance \$175 per student grades K-6 (this year \$166) and \$195 per student grades 7-12 (this year \$186). The School Districts State Equalized Valuation \$3,400,000 (this year \$3,386,424).

Our State Aid would be as follows:

Gross State Aid Allowance	
K-6 — \$175 x 350	\$61,250.00
7-12 — \$195 x 300	\$58,500.00
Transportation Aid \$ 7,000.00 Based on allowable costs 1955-56 (this year \$6,772.84)	
	\$126,750.00 (This year \$116,531.58)

From this the State deducts 2 mills of our State Equalized valuation and the Primary Fund money: (4 mills deduction is proposed in the new State Aid bill)

2 mills x \$3,400,000	\$6,800
Primary \$20 x 850	17,000
	\$23,800
	less 23,800
Net State Aid	\$102,950

Now we can go on with the estimated Receipts:

Current taxes — 8 mills of \$3,400,000 — 80% collection	\$21,760
Delinquent tax and interest	4,000
Primary fund money	17,000
Net State Aid	102,950
George Dean — Homemaking	600
Tuition students	3,100
Swamp land tax (Conservation — Forest)	3,500
Non Revenue — (Hot Lunch — Supply Room)	4,000
	156,910
Less estimated deficit 1955-56	6,000
Total receipts	\$150,910

Estimated Expenditures

310—Administration	
School Board salaries and mileage	\$1,240
Superintendent's salary	3,000
Clerical salary	850
Supplies and expense	175
School Census	800
Other general control expense	
	\$12,565.00

320—Instruction: (salaries based on M. E. A. recommendation of \$4,200 to \$5,800 for teachers with 4 years college and a degree depending on experience).

High School Principal	\$6,300
24 teachers (2 more than this year)	127,750
Substitute teachers	2,400
Instructional supplies and expense	1,400
Library	400
Assembly programs	200
	140,050.00

330—Operation of school plant (So. Side School closed)

Wages	9,900
Fuel and utilities	10,500
Supplies and expense	1,000
Other operating expense	200
	21,600.00

340—Maintenance of School Plant

Grounds	500
Buildings	4,000
Furniture and Equipment	1,800
Other maintenance expense	200
	6,500.00

350—Fixed charges — Insurance 3,000

360—Auxiliary Services	3,000.00
Transportation salaries	3,500
Other transportation expenses	3,700
Health — Nurse and supplies	3,700
Eye and ear tests	100
Recreational activities	600
	11,600.00

370—Capital Outlay

Furniture and equipment	200
Transportation (bus and interest)	6,400
	8,600.00

380—Supplemental Disbursements (non revenue)

Hot lunch	1,700
Supply room	2,300
	4,000.00

Total operating expenses \$207,915

Total receipts	150,910
Amount needed to balance budget	57,005
Amount needed to finish contracted remodeling	4,000
Amount needed to finish planned remodeling	16,000
Total needed	\$77,005

One mill on our State Equalized valuation is collected 100% would bring in \$3,400.

As mentioned in the beginning the State Aid is a guess and the figures I believe are pretty accurate although I have not been able to go over the teachers' requisition sheets and this year's costs to date.

The above budget does not include the 15 mill debt service for building. By law that must be kept separate.

The budget is not official. It has not been approved by the Board of Education and is therefore not necessarily the one that will be presented to the Board of Allocation in April or May.

BITS O' TALK

Mrs. James Forbes and daughter, Kathy, spent from Tuesday until Friday in Detroit visiting Mr. Forbes. They celebrated their 28th wedding anniversary on February 29th.

Ground Observer Corps

Assistant Ground Observer and supervisor Herbert Wolff held a meeting at the home of Mrs. Leo Jorgenson on Monday, February 27th. Several difficult problems were ironed out and it was decided to limit observers to 14 years and older as the younger ones were too difficult to train.

On Thursday, March 1st, Sgt. Larkin Baker held a class for new recruits for the Ground Observer Corps at the home of Chief Observer Mrs. Edwin Pratt. It was clearly understood that the new observers would have to follow rules and that they were on the tryout list. Anyone not following rules, will not be scheduled for next week.

Those who have recently completed their 20 hours and earned wing pins are Miss Clara Nill, Lloyd Jennings, Mrs. Beatrice Skinner, Mrs. Mary Clements, and Mrs. Lucille Wade.

Chief Ground Observer Alice Pratt.

McEvers Motor Sales sold a 2-door Riviera coupe special to Mr. and Mrs. James Baker; a 2-door Riviera coupe special to Mr. and Mrs. Don Leslie; a 2-door sedan to Robert Dean; and a 2-door sedan to Clarence LaMotte.

Welsh Motor Sales reports the sale of a Ford Fairlane ranch wagon to Mr. and Mrs. Leland Marshall; a Parklane station wagon to Mr. and Mrs. Harold Hatfield, Jr.; a Ford customline 4-door to Mr. and Mrs. E. O. Giffin; and a Ford pickup to Mr. and Mrs. Ralph Hanna of Traverse City.

Art Goodrich Sales and Service sold a Chevrolet station wagon to Russell Wright; a 4-door Bel-Aire Chevrolet to James Yost; a 4-door Chevrolet to Daniel Hoesli; a 4-door Bel-Aire to John Papendick; and a Chevrolet truck to Edward Walker.

Several contests of scrambled words, dressing clothes pins as infants and bunco were played for prizes.

Pink and blue crepe paper was used to decorate a tea wagon to represent a bassinet which held the many lovely gifts for the guest of honor. She was assisted in opening them by Mrs. Ted Stephan.

A delicious luncheon of cream puffs filled with creamed chicken and assorted relishes were served to the guests at small tables.

A lovely cake made in the shape of a baby's bed and decorated with a pink and blue flowered coverlet and pillow was presented to the guest of honor, which she cut and served to the guests.

Mrs. Skingley took several flash pictures of the group.

HONORED WITH STORK SHOWER

Mrs. Richard Wakeley was guest of honor at a baby shower at the home of Mrs. George Skingley, Wednesday evening, February 29th.

Mrs. John Ludeman and Mrs. Ted Stephan were co-hostesses. Several contests of scrambled words, dressing clothes pins as infants and bunco were played for prizes.

STORK SHOWER

On Wednesday, February 29th Mrs. Leo Mendenhall, Mrs. Alva Stephan, Mrs. Taylor Loper and Mrs. Harry McEvers were co-hostesses at a stork shower at the latter's home, honoring Mrs. Gene Williams. Games were played with prizes going to Mrs. Floyd SanCarter and Mrs. Frank Snyder for scrambled words, and Mrs. George Worthy and Mrs. James Laurent for penny wise. Mrs. Ed Cooper won the door prize. After a tasty luncheon of chicken salad, hot home-made rolls, cupcakes and coffee was served, Audrey opened her many pretty and useful gifts.

The Hartwick Pines State Park

is ranked as one of Michigan's "21 Outstanding Wonders" by Automobile Club of Michigan. The wonders are being shown to vacation shoppers at the Detroit Sports, Boat and Travel Show, March 3-11 at Detroit's Michigan State Fairgrounds. Over 200,000 persons attend the show annually.

The show is open 2 to 11 p. m. daily and 12 noon to 11 p. m. Saturday and Sunday. Shown here is Marlene Lupton, Auto Club travel counselor named Alice in "Water Wonderland."

Michigan Wonders being featured by the Club's booth include the following:

Seven Natural Wonders—Tahquamenon Falls, 40 feet high; Sleeping Bear Sand Dunes; Pictured Rocks; Lake of the Clouds in Porcupine Mountains, 1,850 feet high; Glen Lake; Brockway Mountain with its scenic drive and the Great Lakes.

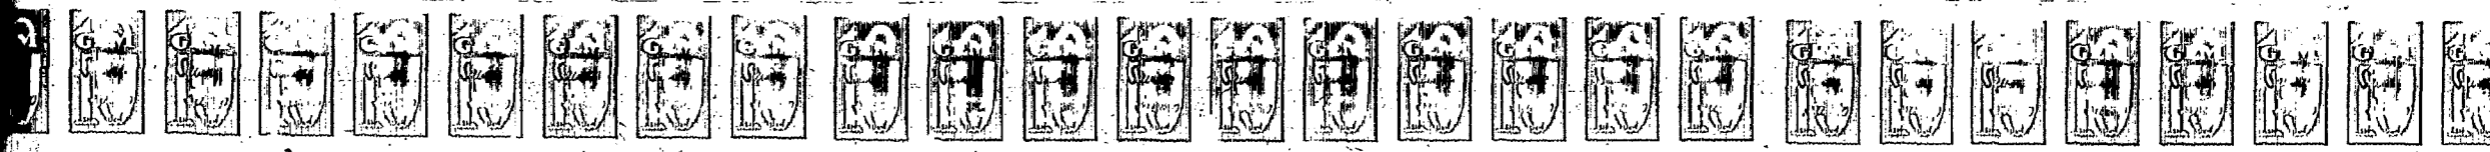

Seven Man-Made Wonders

Michigan's auto plants; Soo Locks Henry Ford Museum and Greenfield Village; Site of Mackinac Straits Bridge; Cranbrook Institute, Oakland County; Metropolitan Beach, St. Clair; and World's Highest Ski Jump, Iron Mountain.

Seven Most Overlooked Wonders—Stronach Dam Area and its Cooley Bridge; Hartwick Pines State Park; Kitchitiki Springs, Manistique; Limestone Quarries, Rogers City; Fort Wilkins, Copper Harbor; Shifting Dunes, Grand Marais; and Isle Royale.

BEAVER CREEK CHURCH OF GOD NEWS

A District Youth Rally was held Tuesday, February 21st, at Gaylord. Miss Shirley Mathews was elected as State District news reporter for the Church of God Youth paper.
